About us

At UssPestCon Services (I) Pvt. Ltd, a proud subsidiary of Ultimate Service Solutions, we bring over 25 years of expertise in pest management. As certified pest control operators with a valid license, we offer comprehensive, government-approved services across India with a dedicated team of over 1,500 professionals. We prioritize sustainable pest control methods, focusing on exclusion, traps, and organic techniques rather than solely relying on chemicals. Our commitment to excellence ensures a healthier, more hygienic environment for our clients, paving the way for a stronger future.

UssPestCon Services (I) Pvt. Ltd, a key subsidiary of Ultimate Service Solutions, boasts over 25 years of industry expertise in pest management. As a certified and licensed provider, we offer reliable pest control solutions across India, supported by a skilled team of over 1,500 professionals. Our approach emphasizes environmentally friendly practices, prioritizing exclusion, traps, and organic methods over conventional chemicals. Committed to excellence, we focus on delivering superior pest control services that enhance health and hygiene, ensuring a sustainable future for our clients and communities.
