## **Our Services: Chimney, Hob, Dishwasher Repair**

At Kitchen Experts Covai, we offer comprehensive repair services for a range of kitchen appliances. Whether it's your chimney, hob, or dishwasher that needs fixing, our expert technicians are here to help.

### **1. Chimney Repair Service**

- **Common Issues:** Chimneys are essential for maintaining a clean and smoke-free kitchen environment. Over time, they may face issues like reduced suction power, excessive noise, or malfunctioning auto-clean functions.

- **Our Solution:** Our team at Kitchen Experts Covai can quickly diagnose and repair these problems, ensuring your chimney operates efficiently. We clean and service the motor, replace faulty components, and ensure the ducting system is clear and functional.

### **2. Hob Repair Service**

- **Common Issues:** Hobs can develop problems such as gas leakage, uneven flame distribution, or ignition issues.

- **Our Solution:** We specialize in repairing all types of hobs, whether they're gas, electric, or induction. Our technicians will check for gas leaks, clean burners, fix ignition systems, and replace defective parts to restore your hob to perfect working condition.

### **3. Dishwasher Repair Service**

- **Common Issues:** Dishwashers can encounter problems like water not draining, dishes not coming out clean, or strange noises during operation.

- **Our Solution:** Kitchen Experts Covai offers expert dishwasher repair services. We handle everything from fixing clogged drains and replacing faulty pumps to repairing or replacing spray arms and heating elements. Our goal is to ensure your dishwasher runs efficiently, saving you time and effort in the kitchen.
