

Macro Sheet India Limited
A Company where quality matters.

MACRO SHEET INDIA LIMITED

MACRO SHEET INDIA LIMITED lays emphasis on developing innovative products that are more reliable, robust, resistant to contaminants and cost-effective, even in developing countries

About us

We are MACRO SHEET INDIA LIMITED, an ISO 9001:2015 certified leader in HDPE sheets manufacturing. Committed to environmental protection, we are a top producer of durable HDPE and LDPE geo-membranes, with capabilities extending up to 3 mm in thickness. Our expertise includes co-extruded multilayer geo-membranes and the procurement of geo-textiles and other geo-synthetics from global manufacturers, offering a comprehensive solution for your needs. Equipped with cutting-edge technology and a skilled team, we aim to be a global leader in geosynthetics for environmental and civil engineering applications.
