Jaipur Enamel Jewellery: Timeless Elegance by MINA Jaipur

Jaipur, known as the "Pink City," is famous for its rich heritage, royal culture, and exquisite craftsmanship. Among its many artistic treasures, [Jaipur Enamel Jewellery](#) stands out as a true reflection of the city's skilled artisans. Combining traditional techniques with modern aesthetics, enamel jewellery from Jaipur is cherished worldwide for its vibrant colors, intricate designs, and exceptional quality.

The Art of Enamel Jewellery

Enamel jewellery, also known as "Meenakari," is an ancient craft that dates back to the Mughal era. This technique involves fusing colorful enamels onto a metal surface, creating stunning patterns and motifs. The process requires precision and expertise, as each piece is carefully crafted by skilled artisans. Gold, silver, and copper are commonly used as bases for enamel work, with the final product showcasing a mesmerizing blend of colors and textures.
